Accelerate your Accounts Payable with
INTELLIGENT INVOICE CAPTURE!

Say goodbye to manually indexing and processing your invoices!

INTELLIGENT INVOICE CAPTURE
is a better way to index invoices.

Did you know that it may cost your business at least $30 to manually process a paper invoice and $27 to process a pdf invoice emailed to you?*

In addition to these expensive and time-consuming actions:

- ⊘ Review of each invoice and reconciliation with its purchase order
- ⊘ Manual data entry into the accounting system
- ⊘ Inefficient paper based invoice approval
- ⊘ Human error
- ⊘ Inaccurate and missed payments
- ⊘ Late payment fees
- ⊘ Tedious filing and indexing invoices
- ⊘ High physical storage facility cost
- ⊘ Failed audits and compliance challenges

Reduce Accounts Payable cost and headaches with automated data capture and streamlined invoice processes!
